Message from President

"Serving Our Community In The Company of Friends"

Dear Members and Associates:

With great pride and honor I address you on the 13th Anniversary of Mannar Friendship Association.

For 13 years we've raised funds to provide Scholarship Finance to University students from Mannar, Sri Lanka. This year we're providing scholarship to 15 students to complete their Bachelor Program in various universities in Sri Lanka. This program is funded mainly from the interest generated from our fixed deposit in Hatton National Bank and continued donations from members, directors and sponsors. I'm very proud to state that we've raised Rs. 1,175,682.00 currently in Trust earning interest. I've also had the opportunity this year to meet Five of the Fifteen students receiving scholarship and interview them, where they shared most affectionately the challenges they face and how helpful we've been to them.

This year we've sponsored The Mannar District Football League to conduct a football tournament in the Mannar stadium. The tournament was hosted on August 02, 2014, where the Mayor of Mannar, Mr. S. Gnanapragasam, Government and Police Officials, School Principals, and other Dignitaries attended. All of whom praised and thanked Mannar Friendship Association for our continued contribution to the people of Mannar. Competing for championship were 23 Teams from Mannar District. I, Director Rohan Mathews, his wife and children had the opportunity to attend this event. Given all that the youths of Mannar have endured in war and continued turmoil, it was remarkable to see their courage, spirit and sportsmanship in action. I was humbled by their enduring hope for a better, peaceful and prosperous Sri Lanka.

All of this and our continued work in Mannar would not be possible without your continued support, contribution of your time, money and talent. With your commitment MFA will continue to function to foster friendship and prosperity amongst our brothers and sisters in Mannar and in Canada. We've experienced numerous trials and tribulations. From all we've learned what makes a strong and prosperous association. Mutual understandings, transparency in all activities, clear and centralized communication are some of the goals we will continue to work towards in the New Year. Our greatest glory is not in never falling, it is in arising every time we fall. With great hope and exuberance I look forward to working with you, members, associates and sponsors of Mannar Friendship Association.

Wishing you the best of Health, Wealth & Prosperity in this holiday season, and in the years to come.
Thank you and god bless you all,

Sylvester Nicholas

President

Mannar Friendship Association

Message from Directors...

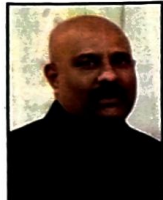

Director
Meleni David

To my beloved FRIENDS from Mannar!

It gives me immense pleasure to greet and welcome all of you, to yet another milestone year that we are crossing in 2014, together as FRIENDS of MANNAR.

Although most of us are connected through the so called modern social media, this is one event that brings us all together face to face to celebrate and pat each other's back for the job well done this year.

Director
Rohan Mathews

We proudly brand ourselves as members of MFA not only because we are from a beautiful and warm place called Mannar, but also because for what the association, MFA stands for.

"A Friend in need is a friend indeed"

Director
Kingsley Nicholas

Our outreach programs have brought so much relief and happiness to many of those who reside in Mannar currently. Especially this year, our president's visit to Mannar has made such an impact on our association in the eyes of people who are living in Mannar. Our President Sylvester Nicholas's tireless efforts should be commended and congratulated and I take this opportunity to do so on behalf of all of us who are gathered here today.

As an association, MFA has come a long way. Our gratitude goes to all the members, their family and friends who have continued to support us and have contributed to its success in every way possible.

Director
Michael Xavier

This day was made possible by this leading team of President and his committee members. Our sincere gratitude goes their way.

I wish and pray that, may we continue this lasting friendship...for the years to come, May our younger generation keep the light of friendship brightly burning forever.....

Director
Jude Yoganathan

Best wishes to all of you

Wish you all a merry Christmas and a happy, healthy and prosperous 2015!!!!!!

A Personal Message from MP Rathika Sitsabaiesan

Dear Friends,

It is my pleasure to extend my warmest greetings to the attendees of this year's Mannar Night event hosted by the Mannar Friendship Association.

For the past 13 years, the Mannar Friendship Association has been dedicated to helping many students reach higher levels of success in their education. The Mannar Friendship Association works to provide students with various opportunities through funding of extra-curricular activities and educational programs. When students are provided with the correct tools and resources they are able to effectively take part and become a lot more successful in the paths they decide to take.

In 2014, Mannar Friendship Association worked with a goal of providing better educational opportunities to the many students currently studying abroad in Sri Lanka. The Mannar Friendship Association successfully provided fifteen students with an opportunity to take part in higher post-secondary studies through various scholarships. When members of a community join together to provide funds and scholarships for the purpose of education, more children and adults are motivated to make use of these opportunities and successful achieve their goals.

On this special day of celebration, I would like to thank the entire team of the Mannar Friendship Association. I would especially like to appreciate the president of the Mannar Friendship Association, Mr. Sylvester Nicholas for all the hard work and loyalty he has put forth for this Association to be successful. It takes a lot of courage to put forth such a vibrant celebration; it takes strong dedication and determination. I wish everyone part of the Mannar Friendship Association the greatest success for the many years still to come.

Sincerely,

Rathika Sitsabaiesan, Member of Parliament
Scarborough-Rouge River

Dear Friends:

It is with great pleasure that I extend my greetings to the Mannar Friendship Association (MFA) on their Annual "The Mannar Night" 2014.

In order for our loved ones to rebuild their lives quickly, it is necessary to provide adequate support. This includes providing the much needed financial assistance for students to pursue post secondary education, taking care of the elderly, provide finances to Orphanages and grass root organizations and more. The service MFA has done in meeting these needs for our loved ones, notably the number of students and Orphanages they are helping this year in our homeland has been astonishing.

MFA must be commended for their efforts in building a cohesive and connected community both here in Canada and in our motherland. I wish MFA great success.

Sincerely,

அன்பு சகோதரர் இல்லம் - மன்னார்

அன்புக்கும் மதிப்பிற்குமுரிய மன்னார் மாவட்ட மக்களே, உங்கள் யாவருக்கும் அன்பின் வாழ்த்துக்கள்.

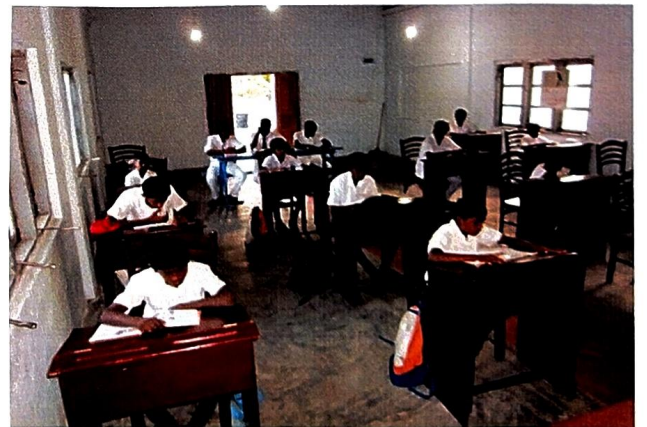

மன்னார் மாவட்டத்தில் கடந்தகால போரினாலும், இயற்கை அனர்த்தங்களினாலும், கொடிய நோயினாலும் அநேக பிள்ளைகள் ஆதரவற்ற நிலையிலும், அனாதையாக்கப்பட்ட நிலையிலும், நல்ல கல்வியறிவின்றி வாழ்ந்து வருவதை நாம் யாவரும் அறிவோம். இந்த பிள்ளைகளை நாம் வாழும்போதே அவர்களையும் வாழவைப்போம் என்ற நோக்கத்துடன் மன்னாரில் கீரி என்னுமிடத்தில் இந்த சிறுவர்களை பராமரிக்கும்படியாக அன்பு சகோதரர் இல்லம் தை மாதம் முதலாம் திகதி 2001ல் 5 பிள்ளைகளுடன் ஆரம்பிக்கப்பட்டு தற்போது 18 பிள்ளைகளுடன் மன்னாரில் இயங்கிவருகிறது. இது ஒரு தர்ம ஸ்தாபனமாக மன்னாரில் பதிவு செய்யப்பட்டுள்ளது.

பராமரிப்பற்ற பிள்ளைகளை இல்லத்தில் சேர்த்துக் கொண்டு, அவர்களுக்கு உணவு, உடை, உறைவிடம், மருத்துவம் போன்ற அடிப்படை தேவைகளை பூர்த்தி செய்து, அவர்களின் கல்வியில் முன்னேற்றத்தை ஏற்படுத்துவதுடன், அவர்களை கிறிஸ்தவ நெறிகளில் போதித்து, அவர்களை பராமரித்து ஒரு நல்லொழுக்கமுள்ள மனிதனாக சமுதாயத்தில் உருவாக்குவதே நோக்கமாகும்.

அனாதைகள் என்று சொல்லும் நாம் பெற்றோர் இருவரையும் இழந்தவர்கள் என்றே கருதுகிறோம். ஆனால் தகப்பன் தாய் உயிருடன் இருந்தும், பிள்ளைகளை பராமரிக்க முடியாத நிலையிலோ, அங்கவீனராகவோ, தொழில் ஏதும் செய்ய முடியாத நிலையிலிருந்து பிள்ளைகளை பராமரிக்க முடியாவிடின், அப்பிள்ளைகளும் அனாதைகள் என்றே கருதப்படுகிறார்கள். இவ்வாறான பிள்ளைகளும் இல்லத்தில் பராமரிக்கப்பட்டு வருகிறார்கள்.

இந்த 13 வருட சேவையில், 2012 ம் ஆண்டு இல்லத்திலிருந்து முதலாவதாக, டேவிட் பல்கலைக்கழக அனுமதி கிடைக்கப்பெற்றது குறிப்பிடத்தக்கது.

உங்களால் முடிந்தளவு, பிள்ளைகளின் ஒரு வருட கல்வித்தேவைக்குரிய செலவை, பொறுப்பெடுத்து உதவ முடியுமானால் மிகவும் வரவேற்கத்தக்கது.

உங்கள் யாவருக்கும் நத்தார் புதுவருட வாழ்த்துக்கள்.

"Building Peace & Reconciliation through English school education"

JOSEPH MASTER MEMORIAL ENGLISH SCHOOL FRANCISCAN MISSIONARIES OF PEACE

Director of Joseph Master Memorial English School wish to bring the following facts to your kind attention. We are the Roman Catholic Nuns of the Franciscan Missionaries of Peace for Sri Lanka. Our mission is to help poor students in education and also radiate peace among the communities through these children. This school is meant for all communities in the district of Mannar. In Mannar our students' community who were left behind due to the three decade of civil conflict do not have equal facilities compared to other region.

We have made improvements to educational standard through various way of making our children to participate in the day-to-day activities and other extracurricular activities. Our school is helping the students to develop English, Tamil and Sinhala Languages. We guide the students to develop the skills in reading, writing and speaking in all three languages. This is given to the students from the age of three along with moral and spiritual values. With the success of the past recorded of the school we seek to address the needs of all our students and the Joseph Master Memorial English School. We would like to request financial assistance. We got three acres of state land for the purpose of our school. It is lowland. First we have to build the parapet wall then to do earth filling. As many of you are the past students of beloved Joseph Master, I hope you will be proud to have a school in his name in Mannar to honour him. Please coordinate with Mannar Friendship Association to generate funds. Thank you for your kindness and generosity.

Thank you.

Rev. Sr. Rubarani Joseph (Franciscan Missionaries of Peace)

The Special Investigations Unit (the "SIU" or the "Unit") conducts criminal investigations of incidents involving the police that have resulted in serious injury, death, or allegations of sexual assault. The SIU is a civilian law enforcement agency independent of the police and at arm's length to the Government of Ontario.

The Director of the SIU is empowered under Part VII, section 113 of the *Police Services Act* with the ability to cause an investigation and, where warranted on the basis of the evidence collected, to charge police officers with a criminal offence. ■

SPECIAL INVESTIGATIONS UNIT

Our Staff

The Special Investigations Unit is led by a director, who must be a civilian with no former policing background. SIU investigations are carried out by approximately 70 investigators who are based out of the SIU Headquarters in Mississauga, Ontario and throughout the province. This distribution of investigators ensures coverage of incidents across the province in a timely manner. All SIU investigators are civilians. By way of background, some are former police officers, while others have a civilian investigative background. The investigative staff is supported by an additional administrative staff of 17 people.

Our Mission

We are a skilled team of civilians dedicated to serving Ontario's diverse communities. We conduct thorough and unbiased investigations where someone is seriously injured, alleges sexual assault or dies when involved with the police. Our independence in seeking and assessing all the evidence ensures police accountability, inspiring the confidence of all in the work of the SIU.

Who Can the SIU Investigate?

The SIU investigates incidents across Ontario, and has jurisdiction over all municipal, regional and provincial police officers. This represents roughly 58 police services and approximately 28,000 officers. The SIU does not have authority to investigate First Nations constables or Royal Canadian Mounted Police (RCMP) officers.

What Can the SIU Investigate?

The Unit's investigative jurisdiction is limited to those incidents where there is a serious injury, death or sexual assault allegation, in cases involving the police. Complaints about police conduct, service or policy that do not meet these criteria are referred to other agencies, such as the Office of the Independent Police Review Director (OIPRD).

How Can I Make a Complaint?

Police services are required by law to report any incident that may fall within the SIU's jurisdiction. However, we regularly receive and act on requests from the public. If you feel you have been involved in a police incident that resulted in a serious injury, you should contact the SIU either by phone or via the SIU website.

You will be directed to an Investigative Supervisor who will determine whether your complaint falls within the SIU's mandate. If so, we will investigate your incident. Once all of the facts are gathered, the Director will then make a decision whether or not there are reasonable grounds to lay a criminal charge against a police officer.

What are "Serious Injuries"?

The definition of "serious injuries" used by the SIU was set out by its first Director, the late Honourable John Osler. The definition states that "serious injuries" shall include those that are likely to interfere with the health or comfort of the victim and are more than merely transient or trifling in nature and will include serious injury resulting from sexual assault.

The Osler definition further outlines that "serious injury" shall initially be presumed when the complainant:

- Is admitted to hospital;
- Suffers a fracture to a limb, rib or vertebrae or to the skull;
- Suffers burns to a major portion of the body or loses any portion of the body;
- Suffers loss of vision or hearing; or
- Alleges sexual assault.

Where is the Gulf of Mannar?

The Gulf of Mannar lies between the southeastern tip of India and the northwestern coast of Sri Lanka. Between India and Sri Lanka lies a chain of limestone islands covered with sand, as well as sand islands, stretching from India's Pamban Island (also known as Rameshwaram Island) to Sri Lanka's Mannar Island. This chain of islands is called Adam's Bridge in English, tham P lam in Tamil and Rama Sethu in Malayalam. The name Adam's Bridge was given by a British mapmaker, and referred to legend that said that Adam (the first man in Christianity and Islam) crossed from India to Sri Lanka along this bridge to reach Adam's Peak in the central part of Sri Lanka. The Indian name Rama Sethu refers to the Indian legend Ramayana: the bridge is supposed to have been built for the Indian Prince Rama to cross from India to Sri Lanka to rescue his wife Sita from Ravana, the king of Sri Lanka. Sethu means bridge.

Evidence from the past shows that Adam's Bridge once connected India and Sri Lanka but now there is sea between the limestone and sand islands. The sea level in the past was much lower, therefore, there was a connection. Wave currents move the sand so that some sand islands disappear during certain parts of the year. According to historical records, people walked across Adam's Bridge up until the 15th century, until a bad storm broke up the chain. However, even now much of Adam's Bridge can be waded across.

Adam's Bridge is 30 km long. The sea in this area is very shallow (1.5 to 3.5 m only), with sand shifting and resettling with wave currents. Adam's Bridge starts from Pamban island in Tamil Nadu, India (connected to the mainland by a man-made bridge) and ends at Mannar island in Sri Lanka. Mannar island is connected to the mainland by a causeway — which is a road raised over water with a few culverts underneath to allow some water to pass under. ("Mannar" = Minara — a place of worship). To the northeast of Adam's Bridge is the Palk Bay which leads to Palk Strait. Although they are narrow, ships can move pass through straits. Palk Strait is named after the British governor James Palk. To the southwest of Adam's Bridge is the Gulf of Mannar. The Gulf of Mannar is a shallow area of water connected to Lakshadweep Sea, which is part of the Indian Ocean in which the tip of India, Sri Lanka and the Maldives are found.

The climate in the Gulf of Mannar The rainfall and the shape of the surface of the land dictate Sri Lanka's climate. In the centre of the island are high hills, surrounded by less high hills. Below this is the large area of mostly flat land. Sri Lanka is a tropical island where the temperature does not vary much. However, rainfall varies greatly. The island receives its rain from two monsoons, the southwest and the northeast monsoon. The southwest monsoon comes from the direction of the Bay of Bengal, from May to September.

The water vapour bearing winds cool as they rise above the central hills, and fall down as rain on the side of the hills that face the wind. During this period, the rest of the island remains more or less without rainfall. Meanwhile, the northeast monsoon, blowing overland from India, snakes round the central hills to bring rain to the whole island from November to March. This means that the part of the island southwest of the hill is wet through most of the year, while the rest of the country has a dry spell. Because of this combination of both the shape of the surface of the land and rainfall, we are able to tell apart different climatic zones in the island. For the purpose of this book, we will use the Wet Zone, the Dry Zone, the Intermediate Zone and the Arid Zone. The Arid Zone receives only about 650 mm of rain every year, and suffers a long dry period for nearly three quarters of the year.

Much of the coastline near Mannar District lies in the Arid zone and the Dry Zone, Adam's bridge Adams Bridge or Rama's Bridge is a series of small islands, sand banks and corals, 18 miles long, connecting the southern tip of India at Danushkodi to Talaimannar in north-western Sri Lanka. Based on satellite studies, some believe that it is the bridge that Hanuman built for Rama to cross to Sri Lanka with his army to rescue his wife Sita from Ravana, the king of Sri Lanka some 1.75 million years ago, as recorded by the Indian epic, Ramayana! There are 16 islands, 8 controlled by Sri Lanka and the rest by India.

Waters near the islands are shallow. Silver fish dart about and do the triple jump. Common Terns dive bomb.

We share the
SAME GOALS.

We all want to make our world a better place for our children.
Working together, we can achieve our goals.

Proud To Support The Mannar Friendship Association.

அல்லிராணிக் கோட்டை

அல்லிராணிக் கோட்டை , மன்னார்த் தீவுக்கு 10 மைல்கள் தெற்கேயுள்ள ” அரிப்பு ” என்னும் இடத்தில் அமைந்துள்ள ஒரு கோட்டை. இதன் அமைவிடம் வரண்ட தரிசு நிலப்பகுதியாக அமைந்துள்ளது. இந்தக் கோட்டை முதன் முதலில் போத்துக்கீசரால் கட்டப்பட்டது.

1658ல் ஒல்லாந்தர் இதனைக் கைப்பற்றித் திருத்தி அமைத்தனர். அரிப்புக் கோட்டை ஏறத்தாழச் சதுர வடிவமானது. இதன் பக்கங்கள் வடக்கு, கிழக்கு, தெற்கு, மேற்கு ஆகிய திசைகளை நேராக நோக்கி யிருக்கும்படி அமைந்துள்ளன.

கோட்டையின் வடமேற்கு மூலையிலும், தென்கிழக்கு மூலையிலும் இரண்டு கொத்தளங்கள் அமைக்கப்பட்டுள்ளன. இதன் உட்புறம் கோட்டையின் வடக்குச் சுவரையும், கிழக்குச் சுவரையும் அண்டி வீரர்கள் தங்குவதற்கான அறையும், வேறு சிறிய அறைகளும் காணப்படுகின்றன. தெற்குப்புறச் சுவரில் கோட்டை வாசல் உள்ளது.

இந்த நிலையில் அல்லிராணிக்கோட்டை பராமரிப்பின்றியும், கடலரிப்பாலும் அழியும் நிலையில் காணப்படுவதாகக் கவலை தெரிவிக்கப்படுகிறது. மன்னார் மாவட்டத்தில் பிரசித்தி பெற்றதும் சுற்றுலாப் பயணிகளை அதிகம் கவரும் விதத்தில் அமைந்ததுமான கிராமங்களுள் அரிப்புக் கிராமமும் ஒன்று. இந்த அரிப்புக் கிராமத்தில் பழமை வாய்ந்த அல்லிராணிக் கோட்டை காணப்படுகிறது.

கடந்த யுத்த காலத்தின் போது இந்தப் பிரதேசத்துக்குச் செல்ல முடியாத நிலை காணப்பட்டது. இதனால் அல்லிராணிக் கோட்டை என்ற பெயரை மட்டும் தான் மக்கள் கேட்டிருப்பார்களே தவிர அதனைப் பார்க்க முடியாத நிலையில் இருந்தனர்.

யுத்தம் ஓய்ந்த பின்னர் தற்போது அதனைப் பார்வையிடுவதற்கான சூழ்நிலை தோன்றியுள்ளது. இத் தகைய பெருமை வாய்ந்ததும் சிறந்த சுற்றுலாத்தலமாகத் திகழ்வதுமான அல்லிராணிக்கோட்டை தற்போது கடலரிப்புக்கு உள்ளாகியுள்ள நிலையில் காணப்படுகின்றது. இதனைப் பார்ப்பதற்கு மிகவும் வேதனையளிப்பதாகப் பலரும் கூறுகின்றனர். இந்தக் கோட்டை தொடர்ந்தும் சிதைந்து வருவதுடன் கடலரிப்பாலும் பெரும் அபாயத்தை எதிர்கொள்கிறது.

ஆனால் இந்த நிலையிலும் இதனைப் பார்வையிடுவதற்கு நூற்றுக்கணக்கான சுற்றுலாப் பயணிகள் வந்து செல்கின்றனர். மன்னார் மாவட்டத்தின் பெருமையையும் சரித்திர சிறப்புக்களையும் காட்டி நிற்கும் இந்த அல்லிராணிக் கோட்டையைப் பாதுகாத்துப் பராமரிக்க வேண்டியது உரியவர்களின் தலையாய பணியாகும். இதனையே மன்னார் மக்கள் எதிர் பார்க்கின்றனர்.
